A — The representation of Janab Abdur Rahim of October 1948, for promotion to the rank of Dy Pay Commissioners was ordered to be filed. The papers are placed below. The reasons given by him for asking maximum pay in the grade of Senior Asstant Commissioners and those given by him in his representation for promotion as Dy Comr are the same. His present request is for ordering

port forward by him for being appointed as Dy. Comr, have now been adduced by him, for fixing his pay at the maximum in the grade of Sr. Asst Comrs. He is drawing a salary of Rs 410 + A.A. 90. In case he is given a pay of Rs 600/- in the grade of Rs 500 - 25 - 600, it amounts to grant of four advance increments under Art 80 of M.S.R. a it is contrary to the principle of progressive pay to grant an increment before it is due and such a grant should not be ~~allowed~~ recommended or allowed, except under circumstances which should justify a personal allowance to an officer whose pay is fixed - that is to say, seldom if ever.

4. In the case of Jamali Fl. H. Abdul Rahim, he has been drawing a pay of Rs 410/- in the grade of Rs 250 - 40/2 - 450 from 18-5-47 and he was promoted to act as Sr. Asst Comr on Rs 410 + A.A. 90, from 25-7-1947. There has therefore been no stagnation in this case.

5. ~~He~~ There do not therefore seem to be any case made out for the grant of the maximum pay of the grade of Sr. Asst Comrs to this officer.

To

The Revenue Commissioner & Civil
Representative in Mysore, Bangalore.

Sir,

I beg to bring the following few lines for your kind consideration and recommendation to the Benign Government.

I am an Additional Assistant in Your Office for disposal of Military assets purchased by the Government of India. I have put in about 28 years of Service working in various capacities in the Revenue Department and have got nearly five years to retire. I have had to face many disappointments not on account of any bad work on my part but on account of appointment of several Revenue Probationers and Probationery Assistant Commissioners who were absorbed permanently from time to time.

In the year 1923, when Revenue Probationers were appointed, the then Selection Committee had proposed two candidates from each Community and only one from the Muslim Community, this one being myself. The Government were kind enough to approve the selection of my name and recommend the same to the approval of His Highness the Maharaja. But to my disappointment I was not appointed as Revenue Probationer. If I had been appointed as such, I would have been a First Grade Deputy Commissioner now.

However, after qualifying myself for Amaldari, my name was included in the Amaldari List and was appointed as Deputy Amildar and posted to work as Chief Officer, Tiptur Municipality in February 1928. Meanwhile, many Revenue Probationers were appointed as Amildars and I had to wait until June 1929 when I was appointed as Amildar, Heggadadevanakote Taluk. I continued to be so till December 1931, when I was suddenly reverted as Deputy Amildar for no fault of mine. The reasons for this reversion was that the Revenue Probationers had to be provided. This was another disappointment and shock to me. I was posted to Turuvekere Sub Taluk as Deputy Amildar in December 1931 and had to struggle hard for promotion.

After about 1 year, I was promoted as Amildar in December 1932 and continued to be so till March 1938. During this intervening period, several Revenue Probationers and Probationery Assistant Commissioners who were appointed from time to time went above me for no fault of mine.

In this connection, I beg to state that reasons for the appointments of Probationers(Both Amildars and Assistant Commissioners) are well known which I need not detail. Even if these probationers had been absorbed after absorbing the acting Amildars and acting Assistant Commissioners, I would not have -- suffered much. But, they were used to be preferred always whenever permanent vacancies had to be filled in. This has caused a great set back to my progress.

I had to wait for about ten years, for promotion as Assistant Commissioner and for a long time for confirmation.

As regards my work as an Additional Assistant for the disposal of Military assets it will not be out of place if a mention is made as to the extra income that I have been able to show to Government by way of sale of miscellaneous items which were not found in the lists of purchases from the various Military Camps but found therein as abandoned. These were in the shape of stones of various descriptions, culverts and bridges, earthern pipes, iron beams and scrap and wooden materials etc. But for my prompt and vigilant action these materials would have been stolen. These items thus disposed of have brought an extra income to the Govern-ment to the extent of Rs. 9421-4-0.

In addition, a sum of Rs.83980-13-0, has been shown as mostly savings to Government by economically working out the expenditure towards the reinstatement charges of several Military Camps as can be seen from the enclosed Stattement.

I, therefore, humbly pray that I may kindly be recommended for fixing my pay at the maximum in the grade of the Senior Assistant Commissioners from the date from which I ought to have been appointed as such, and also for promoting me as Deputy Commissioner for which I have submitted a separate representation.

For which act of kindness and justice I shall ever be grateful to you.

I beg to remain,
Sir,
With respects,
Yours faithfully,

Bangalore,
